Sidney Bridge Player Holds Perfect No Trump Hand

Believe it or not, G. A. Cochran, Sidney contract bridge player, got a hand, while playing at the home of Mr. and Mrs. Wm. Blyth, Marine Drive, Sidney, that just about knocked him over when he gazed upon it — he could hardly believe his eyes! No wonder, this is what he saw: Ace, king, queen of spades; ace, king, queen of hearts; ace, king, queen, jack of diamonds; ace, king, queen of clubs! He bid seven no trump, 1,370 points, and of course made it. His partner was Mrs. Wm. Blyth. The cards were not stacked, but were shuffled, cut and dealt in the usual manner, Mrs. G. A. Cochran being the dealer. The players were in the following positions:

North—Wm. Blyth.
East—G. A. Cochran.
South—Mrs. G. A. Cochran.
West—Mrs. Wm. Blyth.
Here is a view of the hands:

3-ACT FARCE TO BE GIVEN THIS FRIDAY

On Friday next, Dec. 6, "Climbing Roses," a hilarious farce in three acts, will be presented at the club hall by the dramatic wing of the North Saanich Service Club. The curtain will rise punctually at 8:15.

Among those taking part are Mrs. Cruickshank (Mrs. Rose), Mrs. R. Beswick (Peggy Rose), and Owen Thomas (Mr. Rose). These are the "Climbing Roses" who are endeavoring to fit themselves for "high society," into which circumstances have forced them. Mrs. Warren (Miss J. Charlebois) and her friend Joyce Belmont (Miss M. Primeau) do their best to "prune" this sudden growth. Jack Archer, a famous author (E. Livesey), thinks of a plan by which he may obtain material for his new book and also escape for a time the publicity to which he is subjected. This brings him into all kinds of complicated situations with the Rose family and their friends. We will not disclose any more of the plot, but believe many readers will avail themselves of the opportunity to see how everything turns out in the end.

During the intervals between the acts Mrs. Helmsing will play selections on the marimba-xylophone, an unusual and fascinating instrument.

C.C.F. ANNUAL MEETING, 5TH

The annual meeting of the local C.C.F. Club will take place on Thursday evening in Stacey's Hall, commencing at 8 o'clock. Election of officers will take place.

All members and others interested are asked to be on hand.

Large Limb Falls On Man's Head

By Review Representative
FULFORD HARBOR, Dec. 4.—Steve Maxwell of Fulford Harbour met with a nasty accident while felling a tree at Fletcher's Logging Camp at Beaver Point, where he has been working for the past several months. A large limb—about 16 feet long—fell and struck him on the head, rendering him unconscious for several hours. He was rushed to the Lady Minto Gulf Islands Hospital for treatment, where is a patient.

Saint Andrew's Church Has New Organization

Preliminary steps were taken in the organization of a Men's Guild of the Parish of Saint Andrew's at a meeting held at the Rectory on Thursday, Nov. 28th. It is felt that such an organization might ably assist in the work and fellowship of the Anglican Church, and all men of the parish are earnestly requested to get in touch with the president, C. E. Toomer, the secretary-treasurer, J. E. Bosher, or the rector, Rev. T. M. Hughes, before the next monthly meeting, tentatively set for Wednesday, Dec. 18th, at the Rectory.

JOLLY TIME AT N.S.S.C. CLUB

A real jolly crowd took part in the dance at the North Saanich Service Club Hall on Friday evening when the members of the girls' athletic wing again proved popular hostesses.

Butler's orchestra from Brentwood supplied the peppy tunes throughout the evening, while winners in the recent "Amateur Night" held in Sidney entertained the audience with several performances.

Supper was served by the members and an excellent time was the verdict of all participants.

Quite a nice sum was realized from the event which will go towards the work of the wing.

Bridge Social Enjoyed At North Saanich

Mrs. A. Sansbury and H. L. Ricketts were winners at the bridge social held last Wednesday evening at the North Saanich Service Club, with Capt. and Mrs. E. Livesey taking second place.

Quite a number took part in the play and a very pleasant evening is reported.

The gong is ringing, and the usual hearty welcome extended to all interested in the second meeting of 1935-6 series of men's lectures, which is scheduled for next Wednesday, Dec. 11th. Dr. Cassidy, head of the Social Welfare Department of the B.C. Government, will follow up the opening topic with a discussion of "Some Social Trends." Dr. Cassidy is well trained and thoroughly capable and will lead his listeners into new ground. Don't miss him—Wednesday, Dec. 11th, 8:00 p.m.

N.S. LIBERAL CLUB MEETING

On Thursday last a well attended meeting of the North Saanich Liberal Association was held in the Clubhouse, N. Warts, acting president.

Alan Chambers was present and addressed the meeting and took the opportunity of thanking all those who assisted in the campaign.

A pleasing feature of the evening was the performance put on by the 20th Century Harmonica Band, assisted by Miss Eileen McKenzie on the piano accompaniment.

STIRLING PEAS WIN GRAND CHAMPIONSHIP

Championship Peas Are Grown In Sidney — Honor Comes To C. W. Stirling

C. W. Stirling, who has for many years taken high honors with his pea crops, has this week been awarded the Reserve Grand Championship in this class at Chicago at the Seventeenth Annual International Hay and Grain Show, held in conjunction with the Thirty-Sixth Annual Livestock Exposition.

The variety shown by Mr. Stirling was a large yellow type.

The Review joins in offering congratulations to Mr. Stirling in his success.

Altogether a large number of Canadian entries were seen in the prize-winning class.

BRIDGE AT DEEP COVE

Contract bridge was played at 12 tables at Saint Augustine's Hall on Monday evening, under the auspices of the Ladies' Guild of Holy Trinity Church. Several tables were also in play at various homes in connection with the party and from the entire play the following were high score winners: Ladies—Miss Belson and Miss Adair. Gentlemen—G. L. Johns and L. Gibbons.

A dainty supper was served by the guild members at the close of the evening.

Those in charge would like to thank all who in any way assisted in making the evening the success it was.

SIDNEY AND DISTRICT

The first regular meeting of the Gospel Hall Young People's Society was held on Friday evening. Mr. Ken Crawford of Victoria gave a short talk on the aims of the group. There was also a musical program and community singing.

Mr. and Mrs. Albert Ecklund, Amelia Avenue, left last week for Great Falls, Montana, where they will spend some time visiting with friends.

Mr. Basil Hartley, who is a student minister at Lumby, B.C., will return this week after spending a visit to his home at Deep Cove.

Friends of Miss Marian Cochran will be interested to hear that she has left today for Ottawa, travelling as a companion nurse to a Victoria resident.

Quite a large audience was present on Monday evening in Wesley Hall, when Mr. C. L. Harrison of the Alpine Club showed some very interesting pictures on the Canadian Rockies and others on the California Redwoods and scenes on Vancouver Island. Unfortunately there was a slight mishap and all the pictures could not be shown, but Mr. Harrison has promised to make a return visit to Sidney at an early date. The evening was held under the auspices of the Y.P.S. At the next meeting of the group on Monday Mr. J. Duff will give the second of his lectures on the "Monetary System." All interested are invited.

The annual meeting of the Women's Guild of Saint Andrew's Church will be held on Wednesday, Dec. 11th, at the home of Mrs. Geo. Baal, Fourth Street. A full attendance of members is requested.

Ted Nicolet, who fell and injured his back at the Shingle Bay reduction plant, Pender Island, is reported to be improving. He is patient at The Lady Minto Gulf Islands Hospital, Ganges. The information given the Review last week to the effect that he fell 60 feet and broke his back proved untrue. As near as we can learn he fell about eight feet and badly bruised his back.

Scarlet fever is again reported in the district and health authorities are asking the support of all to aid in checking any further spread of this disease. Anyone having a child or other person who is ill should take all necessary precautions. Quite an epidemic spread through Sidney and surrounding district last year at this time and all efforts are being put forth to prevent its recurrence.

Mr. J. Ramsay, principal of Sidney School, is absent from classes this week owing to an attack of the flu. Miss Dorothy Bruce is in charge during his absence. Friends will wish him a speedy recovery.

Death on Nov. 30th, in Victoria, removed a former well known resident of Sidney and district in the person of Miss Lilla Janet Lowndes, aged 64 years. Miss Lowndes was born in England and had been a resident in Victoria since 1920 where she had made her home since leaving Sidney. During the years spent here she was a very prominent worker in many organizations, particularly in the L.O. D.E., of which she was organizer in this district and its first regent. Many residents of the community will remember the deceased well and the outstanding work accomplished by her. Funeral service was held at Holy Trinity Church, Patricia Bay, on Monday afternoon, Rev. T. M. Hughes officiating. Interment was made in Holy Trinity Cemetery.

GIRL GUIDING Be Prepared

The meeting took place Wednesday Nov. 27th. A play program was played and there was time for patrol corners. We had a campfire and the meeting closed with "Taps." After the meeting there was a court of honor.

Saint Andrew's Day Celebrated By Scots

By Review Representative
PENDER ISLAND, Dec. 4.—A number of Scottish friends gathered at the home of Mr. and Mrs. A. H. Menzies on Friday evening in celebration of Saint Andrew's Day. Old favorite songs were sung, while readings were given by Mr. Sangster, with W. B. Johnson as accompanist. Supper was served at midnight and the happy affair ended with the singing of Auld Lang Syne.

C.G.I.T. BAZAAR ON SATURDAY

An invitation is extended to all interested persons throughout the district to attend the Christmas bazaar to be held on Saturday afternoon by the local C.G.I.T. groups and which will take place in Wesley Hall between the hours of 2:30 to 5:30 p.m.

The girls have been making preparations for some time and now have a wide variety of articles for sale, all of which would make excellent Christmas gifts. In addition to the sale there will be afternoon teas and a program as well as a candy stall.

For further particulars please turn to Coming Events.

BIG ANGLICAN CHURCH PARTY

A program of many and varied numbers has been arranged for the entertainment of all who take part in the Anglican Church party for Monday next, Dec. 9th, and which will be held in the Guide and Scout Hall, commencing at 8 o'clock. Program arrangements are in the hands of Mrs. T. M. Hughes and among the many items will be a number of tap dances by Mr. Gibson, Marine Drive. Music and games and novelties will also go towards the fun-making.

A home cooking stall will be in charge of Mrs. A. Harvey and Mrs. W. Whiting and all guild members are asked to provide something for this stall. Mrs. F. King and Mrs. Geo. Baal will be in charge of the apron stall while the A.Y.P.A. members will look after the candy stall.

All members and friends will no doubt be on hand to share in the happy evening. A silver collection will be taken to defray expenses.

CHINATOWN GOING SOON; TO BE TORN DOWN

"Chinatown," on Beacon Avenue, as a fire hazard and an eye sore to the town of Sidney, is to be removed, according to word received this week from Constable Geo. Helmsing, local assistant fire marshal for the district of North Saanich. This news, we feel sure, will be greeted with unanimous approval from all sides.

Chinatown has been unoccupied, excepting for irresponsible parties since the closing of the mill here and since that time several small fires have broken out there which could easily have caused considerable damage had they not been checked.

Constable Helmsing, who is largely responsible for this change, has worked hard to bring this matter to a head, along the program up with the fire marshal's department and later with the Attorney General's department, with the result that these buildings were condemned on the ground that "the present condition they were a fire hazard and a serious menace to the surrounding district." Hence the order for removal.

Responsible parties are now being sought to tear down these buildings.

Annual Bridge Championship Tournament Starts Dec. 11th

Bridge Champions of Saanich Peninsula To Be Named In Annual Tournament — Play To Commence Wednesday, Dec. 11th — Entries To Be In This Weekend

Competitors are asked to enter their names early so that a schedule of play can be worked out accordingly. They are also asked to bring their own cards.

Entries are to be made to W. A. Beswick, jr., 'phone Sidney 86-Y, not later than this coming weekend, Dec. 7th or 8th.

Considerable work is being done to the hall just now, which will make it much warmer and more comfortable for the opening of the tournament.

Missionary Society At Pender Meets

By Review Representative

PENDER ISLAND, Dec. 4.—The United Church Women's Missionary Society met for their regular monthly meeting in the Manse on Friday afternoon, with a good attendance and Mrs. J. H. Teece presiding. A very interesting review of the first chapter of the new Study Book of Africa was given by Mrs. J. L. Miller. Plans were made for the Christmas meeting and election of officers to be held at the Manse on Dec. 27th. At the close of the program Mrs. Florrie Auchterlonie sang a solo, and the hostess served tea, during which the members enjoyed a social time.

TOPIC OF INTEREST THURSDAY

J. L. Webster, from the Dominion Experimental Station, will address the meeting of the North and South Saanich Horticultural Society on Thursday of this week, Dec. 5th, when he will take as his subject "Growing of Flowers and Vegetables for Seed Production." Mr. Webster is the plant breeder at the experimental station and has a thorough knowledge of his subject, which will, no doubt, prove of much benefit!

All interested persons are given a cordial invitation to be on hand.

CHRISTMAS CARD PARTY

The annual Christmas card party held by the North Saanich Service Club has been set for Saturday evening, Dec. 21st, when very special prizes, consisting of Christmas puddings, chickens, etc., will be awarded the winners. Word has also been received that there will be a wide variety of tombolas as well as the prizes which will make a very attractive line-up in all.

Past events of this nature have been very popular, drawing card players from the entire district and those in charge are looking forward to entertaining a large gathering on this occasion.

The usual small admission charge will be made. Further particulars may be seen under Coming Events.

LIBERALS OF THE ISLANDS HELD MEETING

By Review Representative

GANGES, Dec. 4.—The general annual meeting of the Liberal and Young Liberal Associations of Salt Spring Island were held on Monday evening, Nov. 25th, in the Mahon Hall, Ganges.

Prior to the meeting a banquet was held in the hall, over 100 guests being present.

W. M. Mount was chairman for the evening and the guests of honor were Hon. Frank MacPherson, Minister of Public Works; Alex. McDonald, M.L.A., and Alan Chambers.

Immediately following the banquet the Young Liberals held their meeting, the president, Colin Mount, in the chair.

The minutes of the last meeting and financial statement were read and adopted. The president gave a resume of the year's work and congratulated the executive on the amount they had accomplished during their period in office.

The following were elected for the year 1936:

Honorary President—Rt. Hon. W. L. Mackenzie King.
President—Colin Mount.
Vice-President—Wilfred Hilliar.
Secretary-Treasurer—Cyril Wagg.

Executive—Aylmer Beddis and Ted Borradaile.

Those elected for the senior Liberal Association were as follows:

Honorary President—Alex. McDonald, M.L.A.
President—W. M. Mount.
Vice-President—N. W. Wilson.
Secretary-Treasurer—R. J. Hepburn.

The executive decided by ballot included E. Parsons, M. Gyves, L. Boddie, W. I. McAfee, Thos. Islerwood, George St. Dennis, H. Nichols, W. J. Page and L. Reynolds.

During the evening speeches were made by Hon. F. MacPherson and Alex. McDonald, M.L.A.

The former dealt principally with statistics and spoke of the miles of roads and bridges which were taken care of by the government.

Alan Chambers also gave a very interesting address. During his talk he stated that a new wharf and float were to be constructed at Vesuvius Bay, and as a similar wharf is to be erected at Crofton, Vancouver Island, it would afford greater facilities for crossing and save much time and mileage in reaching the larger island. The Ganges wharf is also to be enlarged, he said, and work done on the bridges.

The banquet hall had been under the management of Mr. and Mrs. F. Faux, and a hearty vote of thanks was proposed by Colin Mount to the ladies who helped in serving the supper, Mrs. G. St. Dennis, Mrs. Joe Akerman, Jr., Mrs. Aylmer Boddie, Miss Betty Kingsbury and Miss Shirley Wilson.

Welfare Work Is Continuing

The North Saanich Welfare Society is continuing its good work and many requests are coming in from needy families, so the call is going out once more for used clothing or wearing apparel of any kind. Anyone having anything in this line and willing to donate same is asked to get in touch with the club. Same will be as welcome as the need is great.

The December meeting of the society will be held at "Shore Acres" on Tuesday, Dec. 10th, at 2:30 p.m.

BANK OF MONTREAL SHOWS GAIN OF \$45,000,000 IN DEPOSITS

Total Assets Increase to \$792,772,872 — Liquid Assets at \$533,374,811 Are Equal to 74.48 Percent of Total Liabilities to the Public

DEPOSITS NOW STAND AT \$676,944,866

The confidence reposed by the public at large in the Bank of Montreal is exemplified in an extraordinary degree in the bank's annual statement for the year ending October 31st, just published. This shows deposits of \$676,944,866, compared with \$630,218,835 at the same date last year, an increase of \$46,000,000. This increase and a concurrent increase of \$43,800,000 in government and other high-grade securities constitute the outstanding features of the statement.

Liquid assets have increased to \$533,374,811, and are equivalent to 74.48% of all liabilities to the public. Cash in vaults and money on deposit with Bank of Canada stand at \$82,711,635, equivalent to 11.55% of public liabilities.

Holdings of government and other bonds and debentures amount to \$361,769,848, as compared with \$317,936,912 a year ago, an increase of over \$43,000,000. In keeping with the bank's

policy, the greater portion consists of gilt-edge securities which mature at early dates.

The immediately available cash is represented by cash on hand and money on deposit with the Bank of Canada of \$82,711,635; notes of and cheques on other banks, \$27,614,596, and money on deposit with other banks of \$37,764,631.

Call loans outside of Canada now stand at \$18,835,238, down from \$22,133,844. The decline may be attributed to the unusually low interest rates that have prevailed in the principal money markets of the world. At the same time call loans in Canada have declined to \$4,435,736 from \$8,359,657.

Current Loans Lower
While there have been reports of gains in many lines of business, current loans have not shown a tendency to increase, with the result that loans to manufacturers, farmers and merchants now stand at \$234,461,311, down from \$243,477,041. This would appear to indicate that many customers have been able to finance the present increase in business from their own resources.

Of special interest is the continued tendency of deposits to expand throughout the country, and, as a result, total deposits have now gained to \$676,944,866 from \$630,218,835 a year ago.

An informative feature of the report is contained in the section where the bank shows that it has total assets of \$792,772,872, with which to meet payment of liabilities to the public of \$716,107,779, leaving an excess of assets over liabilities to the public of \$76,665,093.

Profit and Loss Account
The profit and loss account shows earnings slightly down from the previous year. It also indicates that the bank's taxes to Dominion and Provincial Governments are in excess of \$1,000,000.

Profit for the year amounted to \$4,007,302, against \$4,105,024 in the previous year. From the profit, taxes to Dominion and Provincial Governments required \$1,002,089, leaving for distribution \$3,005,212. Of this amount dividends to shareholders took \$2,880,000, leaving an amount to be carried forward of \$125,212. The net profits of \$3,005,212 were equal to 3.92 percent of capital, surplus and undivided profits. After provision for taxes and dividends, the balance brought forward increased the balance of profit and loss carried forward to \$1,935,033.
